Country information

Zimbabwe pairs the thunder of Victoria Falls with first-class guiding in Hwange and the canoeing wilderness of Mana Pools. It is warm, knowledgeable and firmly back on the map.

What to know from the start:

• Visa: required — visa on arrival / e-visa.
• Currency: USD is widely used.
• Health: malaria in the Zambezi valley and Falls area.
• Best time: Aug–Oct for big game; Apr–Jun for the Falls in full flow.

Botswana is safari at its most exclusive — the water-wilderness of the Okavango Delta, the elephant herds of Chobe and the vast Kalahari, run on a low-volume, high-quality model with few vehicles and big wilderness.

What to know from the start:

• Visa: visa-free for Australians.
• Currency: Botswana Pula (BWP); USD useful for tips.
• Health: malaria area — take precautions.
• Getting around: light-aircraft hops between camps; strict ~20kg soft-bag luggage limit.
• Best time: May–Oct (dry) for the Delta flood and concentrated game.
