Country information

Zimbabwe pairs the thunder of Victoria Falls with the Zambezi River, and Botswana's Chobe and Okavango Delta are a short hop away.

What to know from the start:

• Entry requirements: confirm passports, visas, digital entry forms and transit rules at smartraveller.gov.au and each destination's official immigration website before travel.

• Health: seek route-specific advice from a travel-health professional and smartraveller.gov.au; vaccination and malaria guidance varies by itinerary.

• Currency: US dollars are widely used in Zimbabwe; Botswana uses the Pula (BWP).

• Getting around: road transfer across the Kazungula border to Chobe, then light aircraft into the Delta with soft bags of about 20kg.

Botswana is safari at its most exclusive: the water wilderness of the Okavango Delta, Moremi's big game and the vast salt pans of the Kalahari, run on a low-volume model with few vehicles.
